Alphonso Mango

Why Indian Alphonso Mango?

India ranks First in the world for the mango production which accounts for 56% of the world's mango production known as "King of fruits". Alphonso Mango sourced from premium Maharashtra farms & Karnataka farms, Alphonso mangoes are a delight for senses. Grown mainly in western India, Alphonso is available March to the end of July. Alphonso mangoes have a creamy, tender texture and contains a delicate, non-fibrous, juicy pulp. The skin of a fully ripe Alphonso mango turns bright golden-yellow with a tinge of red which spreads across the top of the fruit. The flesh has a stark saffron-colored hue. This fruity gem is very sought-after owing to its unique flavor, fragrance, color and texture.
